The Green Corner By Kaitlynn Shawaryn

Follow these five tips for a greener holiday season.

1. Send holiday invitations through Evite or an event on Facebook to save cost of postage and paper.
2. Wrap gifts in recycled paper or newspaper instead of shiny or metallic paper because it is harder to recycle.
3. Dress up potted plants with homemade or reusable ribbons for a holiday flair.
4. Place and mark recyclable and trash bins strategically around the party for guests.
5. Donate extra food to a local food bank or send guests home with bags of leftovers.
