1) Must be a registered Online Banking customer prior to accessing any mobile banking product. Third party message/data rates may apply. 2) The Annual Percentage Rate (APR) applies to new loans of \$10,000 or more with a term of 60 months and an automatic deduction of payment from a deposit account from Century Savings Bank. For example, a \$10,000 loan with a 3.99% APR, your payment would be \$184.12/month for 60 months. On refinancing existing Century Savings Bank home equity loans, a minimum loan amount of \$10,000 must be borrowed, with at least \$10,000 more than present balance, to obtain APR. The APR without automatic deduction is .51% higher. Should for any reason you discontinue using the automatic deduction service at any time during your loan period, your APR will increase. This product is a fixed-rate; closed-end loan secured by your primary residence and may not exceed 80% loan-to-value ratio. Rates and fees are subject to change without notice. The above rate is quoted as of 08/01/2015. All loans are subject to credit approval. Property insurance is required. 3) Consult your tax advisor.
